NRP eBook Collection Quick Reference Guide for Site License Users

What is the Neonatal Resuscitation eBook Collection?

The Neonatal Resuscitation (NRP®) eBook Collection provides access to the *Textbook of Neonatal Resuscitation*, 8th Edition, and more essential neonatal titles available **exclusively** from the AAP. This collection provides the entire team with essential content necessary to deliver optimal care for newborns.

An annual site license subscription gives your institution unlimited access to the NRP eBook Collection, which includes the following titles:

- *Textbook of Neonatal Resuscitation*®, 8th Edition, in English and Spanish
- *Guidelines for Air and Ground Transport of Neonatal and Pediatric Patients*, 4th Edition
- *Guidelines for Perinatal Care*, 8th Edition
- *Challenging Cases in Neonatology*
- *Neonatal Care: A Compendium of AAP Clinical Practice Guidelines and Policies*, 2nd Edition
- *Questions From NeoReviews™: A Study Guide for Neonatal-Perinatal Medicine*

How do I access the NRP eBook Collection?

The NRP eBook Collection is available on the AAP Publications platform, which provides unparalleled innovation, seamless search across publications, and a dynamic reader experience.

Access can be set up via IP authentication, OpenAthens, shared username/password, referring URL, and other methods.

The free AAP Books Reader mobile app allows users to download their institution's AAP Books for offline reading on **iOS** and **Android** tablets and smartphones. Learn how to connect your personal AAP ID to your institution's network by clicking [here](#). Once your personal AAP ID is related to your institution, you can log on to the AAP Books Reader mobile app and the AAP Books website with your own personal AAP ID log-on credentials.
