Quickly access all titles

- At publications.aap.org, you can find each AAP title by selecting the Journals drop-down menu on the navigation bar across the top of the page. This bar also directs you to discover other AAP publications, including Books, News, and Point-of-Care Solutions, as well as AAP Policy and the AAP Career Center.
- Each journal/periodical home page allows access to all titles through the  [AAP Publications](#) menu at the top left of the page.

Find content with special online features

- Each journal/periodical home page prominently features the latest issues and newest articles, as well as archives, special supplements, digital Pediatric Collections, and journal editor blogs.
- At the article level, you can easily review figures, tables, and videos; read colleague comments; and find related articles or companion papers. There are also quick links to share or cite articles.

Conduct powerful searches

Quickly search topics or keywords across all AAP publications and sites from one location. Or use Advanced Search to focus your author and keyword search results by publication title, date range, citation, and other criteria.

How can I get help and technical support?

- Contact your librarian or site license administrator.
- Find institutional account administration information, user guides, and product overview videos at AAPLibrary.org.
- Contact our AAP Member and Customer Care team at mcc@aap.org or 866-843-2271 (toll-free in the United States and Canada).
- Visit our AAP Support Center at kb.aap.org.

How can I keep up with the latest news and research?
